**SUBJECT: Transmittal of the Draft CERCLA Waste Inventory Database for Operable Unit 3-13
Waste Disposal Complex (EM-ER-176-00)**

Dear Mr. Pierre and Mr. Nygard:

Enclosed is the Draft CERCLA Waste Inventory Database (CWID) for Operable Unit (OU) 3-13 Waste Disposal Complex. Contained in this document is the current planned inventory and analytical results for the release site being considered for treatment, packaging, and disposal at the OU 3-13 Waste Disposal Complex, which is comprised of both the Staging, Storage, Sizing and Treatment Facility (SSSTF) and the INEEL CERCLA Disposal Facility (ICDF). This document is being submitted to meet the requirements of the Federal Facility Agreement and Consent Order (FFA/CO).

In order to expedite Draft CWID comment resolution and incorporation, review comments should be provided in an electronic format. By using an electronic copy transfer, an increase in the efficiency of comment resolution and subsequent incorporation is expected.

The FFA/CO review time for this Draft CWID, a secondary document, is 30 days, but if you have significant comments please let us know within 20 days. By notifying DOE-ID of any significant issues prior to the completion of the review period, these issues can be addressed and this will reduce the impact to the schedule. If you have any questions, please call Talley Jenkins at (208) 526-4978 or myself at (208) 526-4392.

Sincerely,

A handwritten signature in cursive script, reading "Kathleen E. Hain".

Kathleen Hain, Manager
Environmental Restoration Program
